Business Arising		
Conference Planning-Elizabeth and Michelle	<p>Connect by telephone with Staff nurse interest group. Skype in not an option Connect with PNEIG and the Staff nurse educator interests group.</p> <p>Update Janet Rankin-Michelle Janet wants to work with a real life case. To explore the roles and scope and understanding that RPNs, RNs and NPs working together in clinical situations. This could be difficult with a critical incident. Connect with a Chief Nursing Executive Work of the interprofessional team and journal Worry about scope; worry about the pieces of the team coming together. Janet feels this is important work and will hang in there with an administrative team. Create a learning opportunity that could focus on the following:</p> <ul style="list-style-type: none"> • What shapes scope? • What limits scope? <p>Things are happening but are being shaped by institutional structure which gets in the way. Janet sees that we are in a really important time. It is safer to go and hear people present rather than have people sharing stories. She is aware of the work that RNAO is doing. Past president is interested-Rhonda Sniderman-Scarborough Campus.</p>	
Student Poverty Resolution	The resolution was submitted late just before the holidays.	Elizabeth will follow up with Penny
Queen's Park Day	Queens Park-Michelle is representing PNEIG.	Michelle will be submitting the bills to Sally as PNEIG is covering her costs.
New Business		

<p>NCLEX-Elizabeth</p>	<p>The CNO was very slow getting information out to the students. The students had to do a temporary registration. They could not get a temp license until they are registered to write NCLEX. Jan 5th was the opening date and there was nothing ready on the Jan 5th release date for CNO.</p> <p>All of the new nurses have jobs and they cannot write their jurisprudence exam until they are registered for the NCLEX. Need documentation form the school that they have completed all their requirements.</p> <p>Students can write their NCLEX once they complete their programs. The students who have finished their program will be receiving their NCLEX packages this week.</p> <p>The CNO was not ready with the NCLEX release even though they supported the change.</p> <p>There are other institutions that are also dealing with this change UOIT Loyalist-Brock, etc.</p>	
<p>COUPN White paper-Integrating Clinical Education 2013-Elizabeth</p>	<p>As an executive can we look at it formally? It includes interdisciplinary education.</p>  <p>Integrating-Clinical-Education-into-the-Cha</p>	<p>Please review before our next meeting</p>
<p>Opening Doors for Nursing Degrees-Elizabeth</p>	 <p>Open Doors News Release Jan 2015.dc</p> <p>Colleges should be allowed to have a stand-alone nursing degree program without a link to a university.</p> <p>There was a Media release from Colleges of Ontario.</p> <p>This is not a new idea, but has had a recent news release from Jan 14th new release.</p> <p>http://www.newswire.ca/en/story/1471963/new-report-calls-for-stand-alone-nursing-degree-programs-at-colleges</p> <p>Where this did renewed interest come from?</p>	

	There are some schools that want this and some that do not. Some of the marriages between the colleges and universities support each other to make the nursing programs successful.	
Next meeting Date	<p>Are we going to meet after the assembly? Breakfast meeting and get some more work done on the conference planning. Can we connect during the assembly for the people in Toronto? AGM dates-rep. Voting representative-Michelle/Alternate Brenda AGM speaker-Are there any ideas from our members? Does anyone from the executive want to present. Previous speaker cost PNEIG \$2000. It was a lawyer presenting on nursing legal issues. Clinical placements Being creative on clinical placements. Work in community and clinical placements</p>	<p>We need presenters Ask Pat to contact Liz as a potential speaker for our AGM breakfast. Proposed Topics:</p> <ul style="list-style-type: none"> • Placement for students with accommodations. • How to meet expectations for students in the clinical placements?
Future Discussion Topic	<p>Clinical Placements with Non-Nursing Professionals Clinical placements are occurring with nursing students where one profession is unable to work with their own profession. Students may be working with a non RN in their placement. There has been a trend in RN positions being displaced by non RN positions in community.</p>
